

2025 Sponsorship Opportunities

Greetings!

In 2011, Judy Shoulak was diagnosed with breast cancer... *and she beat it!* Since that year, the Shoulak Family has hosted an annual music festival to raise money for breast cancer awareness, research, treatment, and cure. Shoulak BreastFest Music Festivals is a 501(c)(3) nonprofit organization and since it started, we've raised over \$500,000 of revenue!

This year is our 15th anniversary!

Join us on Saturday, September 27th in Corcoran, MN from 12pm - 7pm for a day of music, food & fun, activities for kids and grownups alike including an incredible silent auction! All proceeds are donated to the following local charity partners who will also be at the event:

- **Allina Health Cancer Institute** - Dragon Divas Dragon Boat Team
- **Angel Foundation**
- **Breast Cancer Education Association**
- **Firefly Sisterhood**
- **Hope Chest for Breast Cancer**

To become a Sponsor please email: shoulakbreastfest@gmail.com
