

2026 Sponsorship Opportunities

Greetings!

In 2011, Judy Shouldak was diagnosed with breast cancer... *and she beat it!* Since that year, the Shouldak Family has hosted an annual music festival to raise money for breast cancer awareness, research, treatment, and cure. Shouldak BreastFest Music Festivals is a 501(c)(3) nonprofit organization and since it started, we've raised over \$500,000 of revenue!

This year is our SWEET SIXTEEN!

Join us on Saturday, September 26th in Corcoran, MN from 2pm - 7pm for a day of music, food & fun, activities for kids and grownups alike including an incredible silent auction! All proceeds are donated to the following local charity partners who will also be at the event:

- **Allina Health Cancer Institute** - Dragon Divas Dragon Boat Team
- **American Cancer Society** - Making Strides Against Breast Cancer
- **Angel Foundation**
- **Breast Cancer Education Association**
- **Firefly Sisterhood**
- **Hope Chest for Breast Cancer**

To become a Sponsor please email: shouldakbreastfest@gmail.com

Please mail general donation checks made out to Shouldak BreastFest to:
